

The Lion dance and the “Third Eye’ of the dragon Head?

what has Christians to do with this activity ? Hopefully nothing , however some Asian Christian Churches seem to think this is a normal activity and “entertainment for the congregation” . every Chinese NY without realizing the “Spirits behind the dragon” (although if you Asian you should understand the historical and spiritual significance one would imagine)

Refer the full article from an Asian Christian who was part of the Kung Fu system and work it out for yourself if your a Christian and you think its right to have the Dragon jumping around the congregation on your social events ,**especially knowing that the head of the dragon is prayed over by a priest re the “THIRD EYE “ demonic spirits etc (see link to article).**

Personally , I doesn’t worry me , as a born again Christian , I am aware of the Lion dance dragon and all that is involved around him , but I am confident that the Holy Ghost in Me is greater then the DRAGON so, no problems, with me going to Chinese new year etc. which I do every year anyhow.

The reason I write this article is the hypocrisy I see with this with some Christians and in particular some Asian Christians and a mix of other Christians especially in the Pentecostal variety of which I subscribe to (in saying that Fit for Christ ministries is non denominational ,put it this way FFC believe in the book of ACTS and everything that took place and believes that the Holy spirit power and baptism in the Holy Ghost is applicable in 2017 as it was 2,000 years ago)

Now I have been “Born again for over 40 years” and am also a martial arts Master 8th Dan . and the amount of hypocrisy I have faced in Christian Churches over martial arts (being demonic) etc is laughable .(both Asian Christians and other races in many churches)
In my Book “martial Arts “ is simply a combat art of self defence and the SPIRITS CONTROLLING THE PRACTICIONER are relevant to the Spiritual status of the individual. Now this ‘spirit behind’ the person is applicable to everything ,if your a acupuncturists,

medical Doctor or Dentist, Dr of Chiropractic, Martial Arts instructor, Army, Police, sportsman Boxer, footballer etc.

IF YOU ARE BORN AGAIN THE CHURCH WHICH IS IN YOU AND NOT THE BUILDING IS THEREFORE NOW BEEN BROUGHT TO WHATEVER OCCUPATION OR SPORT YOU DO .

As a Born Again Christian, in my case, that spirit is the Holy Spirit full stop.

(I have been in life and death situations with armed attackers and the Holy Spirit has instructed me very clearly in what to do) King David writes in Psalms “The Lord trains his hands for war” .(Psalm 144:1)

Generally Christians are very good at quoting all the military battle records of Moses, King David, Joshua, and even Jesus in Revelations . (Including the Apostles actually carried weapons on occasions (swords) for self defence in their travels).(Luke 22:38)

But when it comes to somebody actually learning “martial arts” its suddenly termed “demonic” by the vast majority of Pentecostal Churches.

The Hypocrisy I find is that they drink Alcohol at social functions(the judgemental religious church), knowing full well that one third of Motor vehicle deaths on the roads is caused by Alcohol not to mention child abuse and domestic violence and other drug related issues . BUT DRINKING BOOZE IS OK ! the hypocrisy of it all (at least the Salvation Army has got it right on this issue total Abstinence is the key and “lead by example” would be such a good idea for the “religious Church” wouldn’t it ?

Both myself and my Korean Grandmaster are born again Christians and some of these “Armchair Christians” who are good at “doing absolutely nothing in the physical” best stick to their Latté and Yum Cha social gatherings and hope to God an angel from heaven flies down from heaven if they ever have to defend themselves or their family from a violent physical attack or an armed attack.

I have even had Christian argue with me that if their wife or children were attacked they would do NOTHING! (complete pacifism) (pathetic) (Jesus is not a pacifist)

May be they want to follow Jesus into the temple as he horse whipped out the traders , or follow Jesus through revelations where he leads the battle and blood of the enemy comes up to the bridles of the horses (Rev 14:20). Or the Holy spirit as he executed Ananias and sapphire for lying (Acts 5:1-5) selectively reading the scriptures to suit a pacifist agenda.

Selective reading of the Bible is a dangerous thing REMEMBER Jesus is the same God that instructed Joshua and Moses and King David in battle ,in fact Jesus and the Father and the Holy Spirit often FOUGHT THE BATTLES THEMSELVES for the Israelites in the old testament.

WE ARE DEALING THE SAME GOD ALL THE WAY THROUGH THE BIBLE.(John:1-5)

In Jesus 33 years on this earth his purpose was to SAVE US FROM SIN and be the atonement for the Human Race . BUT he returns in Revelations as the GOD OF WAR to the Enemies of GOD.(Rev:14:1-20)

Bottom Line in all of this discussion if a person is BORN AGAIN the spirit behind him and within him is THE HOLY GHOST .

The Lord has given you your “SKILL SET” be it a Latté drinker or a Combat Soldier, or a

police man or a martial arts Instructor or a musician in a band, Medical Dr. or Dr of Chiropractic.

YOU GET TRANSLATED FROM THE KINGDOM OF DARKNESS TO THE KINGDOM OF LIGHT (Col 1:13). You don't suddenly become some "a religious lobotomised fool" who cant even think for yourself anymore! (although the religious Church will do exactly that)

You're ATTITUDE CHANGES and your MIND is progressively renewed by the Word of GOD. GOD THEN USES your life experience and background to influence others (like I do in martial arts, health and fitness and medical chiropractic).

JUST BECAUSE YOU ARE BORN AGAIN it does mean you resign from your Job and become a missionary in Africa (although if the Holy Spirit tells you to than follow that call by all means) **BUT the Church of Jesus Christ is actually WITHIN US (our hearts) and therefore its BIGGER THEN THE FOUR WALLS OF A CHURCH BUILDING.**

When is the Religious Church going to wake up to that fact that Jesus cannot be controlled and put in a box , **they tried that at Easter and HE ROSE FROM THE DEAD !.**

The only rule to follow in all of the above is **FOLLOW THE PROMPTING OF THE HOLY GHOST in all that you do, whatever occupation or sport, BEING LED BY THE SPIRIT OF GOD IS THE KEY! Amen Jesus is LORD EVERYWHERE IN EVERY PLACE NOT JUST SUNDAY MORNING FOR 2 HOURS! BUT 24/7 DAILY .**
