

Testimony of Graham Healy

Sunday 7th January 2018.

At 19 years of age (I'm now 62) so that 43 years ago I had a girlfriend whose mother was a Pentecostal Christian and attended Calvary temple Church in Townsville under David Cartlidge and Keith Loy (who turned out to be my spiritual father in the faith).

The Girlfriend was not a practicing Christian just went along to church with me one Sunday (at the time our relationship was strained and on the verge of breaking up . (just another carnal relationship nothing Godly about it) . I was suffering from depression and felt like a 20 ton block of cement was sitting on my shoulders .(I understand that was depression now but then I didn't understand what it was I just knew i couldn't shake it).

Anyway David Cartlidge finished preaching and he said there is somebody here who feels like he has a great weight on his shoulders, like a block of cement!

I looked around and thought is he talking to me ? I'm not going up there ?

before I knew it I had walked through about 300 people and made my way to the Front Line.

David Cartlidge and Keith Loy moved along the prayer line and came to me, all I heard **was 'IN JESUS NAME" and BANG** I was on the floor and remained there for 3 hours all I saw was **WHITE LIGHT FLASHING BEFORE ME** but I had a tremendous peace and when I came around (all the Church had gone home except me) Keith Loy was looking at me and said "The Lord has done a big work in you Boy" he said with a Grin on his face.

The Depression was COMPLETELY GONE ! and I felt light as a feather , in fact I **felt GREAT RECHARGED and ENERGIZED** (I had been down for 6 months at least before that encounter).

Afterwards I had some personal prayer/deliverance sessions with Keith Loy and he released a lot of pent up hurts in my spirit from various things in the past.

He did this by praying in tongues and the laying on of hands as he prayed (Keith Loy was like a Smith Wigglesworth a powerful man in the spirit)

Keith ministered to me for about 6 months after that , however the enemy really 'got into my head' and I eventually fell away from the Church and occasionally would run into Keith Loy (an he was always happy and bubbly) I could never figure how a 70 years old man could be so 'Full of Life" like he was (I turns out later I realized his secret was being charged up in THE HOLY GHOST).

Now Keith Loy was OLD SCHOOL pentecostal , his mother was 95 years old and a Full on tongue talking Pentecostal and would 'go down in the spirit every service' so close to God she was.

Keith never attended any bible college , but spent 12 months in hospital after having a nervous breakdown when he was about 40 years old, and there he read the bible back the front and upside down .

AFTER THAT HE EMERGED ON FIRE IN THE HOLY GHOST and never looked back he had a photographic memory regarding scriptures and was ready in the Holy Ghost 24/7 .

He turned out to be my Life line in later events in my Life which I will discuss next.

Years went by I didn't attend Church but know 'something had happened inside of me' I read the bible and the scriptures became LIVING to me.

The second Coming .

Time went on and I decided to get married to my childhood sweet-heart Joan .

And so at 21 years of age myself and Joan got married in the Catholic Church (Joan was Catholic).

At the time I had a Job in TAA trans Australia Airlines and myself and Joan had three Children Karina, Allan and Adam.

My background was in Sports(boxing, martial Arts) and my goal in life was to own my own health centre . also I wanted to be a Chiropractor but because of young family I could not travel to Melbourne (1,000 miles away) to do that , however I am now currently studying to be a Doctor of Chiropractic at the later stages of my career then at the beginning.(better late then never) but the Holy Ghost prompted me to start Chiropractic in about September 2016 and I did and gained entrance to CQU university Brisbane .

Refer www.healyshealth.com

Life went on I worked at the Airport while perusing my sporting activities (martial arts/boxing/swimming/running /Olympic weightlifting) with a goal to one day own my own health centre.

1985 I linked up with My Martial arts Master Grand Master Young Ku-Yun and became one of his international Instructors in Yun Jung Do refer:

<http://www.healyshealth.com/grahams-martial-art-history>

at that time I spent 3months full time with the Master being trained personally by him and after that I decided to open my Own Gym .

That happened in 1988 and Healy's Health was born at Kirwan Townsville.

In 12 months I was on the way to being a Health and Fitness millionaire 2,000 gym members and 100 martial arts students I was well on the way to being KING OF THE TOWN, I had trumped all opposition and was the only martial arts Instructor with GM Yun who had his own health centre (in 500 black belts I was 'the man').

Things in business were very tough , I had sold my house and poured all my money into one 'basket ' (which later turned out to be a disaster).

The Business had several obstacles financially and I would have to write another book to tell that story , but I overcame each obstacle by sheer grit and determination (my Boxing/martial arts training served me well as I was extremely determined and FOCUSED and my former wife Joan used to say she always felt like the "caboose" on the back of this MASSIVE STEAM TRAIN. (being me).

Unfortunately, my life's focus was totally business, fitness and left God out of the picture, was going to **BUILD MY EMPIRE MY WAY** through sheer determination.

I was also very 'highly strung' always busy and could have a 'snap temper'.

This brought me 'unstuck' in my marriage.

Long story short my wife Joan committed adultery with a Gym Instructor I had employed who tried to undermine my business and family (I was totally unaware of this) until it was too late.

That Gym Instructor, my wife Joan ran off with (after committing Adultery) turned out to be a

paedophile and raped my 12 years old daughter for 7 years ([he is now in Jail 15 June 2015](#)). So “praise the Lord” hallelujah” all this occurred due to lies and mismanagement of Church councillors at Calvary Temple who my wife and this Predator hid among in the middle of the family crisis.

This is why I am very suspicious of unsupervised ‘so called’ church councillors who are not biblically correct nor legally qualified to deal with these situations, and in my case the mismanagement resulted in my daughter being a victim (and of course they will never take responsibility for that mistake) any way the pain of all this is UNDESCRIBABLE and I have Forgiven but await on **the JUSTICE OF THE LORD** especially regarding the predator in Jail.

The predators father was a preacher, yes surprise, surprise, and later discovered his whole family were paedophiles (by a female Relative of the predator’s family I met at a Gym many years later). I had advised people of my suspicions at the time (including the authorities) but the authorities will never act unless that have “hard evidence” and that never happens until AFTER THE CRIME IS UNCOVERED unfortunately.

The pain of all this was worse then Dying, I felt like I was being crucified and know exactly what that would be like.

In the **Middle of the family break up I re-committed my Life to the Lord.**

Called up Keith Loy and he came to my Gym and I rededicated my Life to the Lord.

I had build myself up physically and mentally but the ‘Enemy” got to my family spiritually.

At that Time I would spend 8 hrs a day praying in tongues and seeking the Lord to reconnect my family and take them back.

During that Time I had **several visions of the Lord on his throne** and that is another testimony in itself.(in another article)

These were what they call the **Touching the hand of God** (will write on that in a separate article testimony) one occasion the Lord called me forward and Gave me this mighty sword (it was as big as I was, and I took it and put it across my back in a scabbard strapped to my back.

I know my calling is in Spiritual Warfare and the Lord has said my Ministry is like John the Baptist style (Kicking down doors and breaking strongholds of the Enemy)

also over the last 25 years most of the prophecies has been in the order of the **APOSTLE TO BUSINESS refer my time line here:**

<https://www.fitforchristministries.com/timeline-of-rev-dr-healy>

After the major crisis in Townsville in 1993 I left Townsville to recover and start a new life in Brisbane.(My parents lived at the Gold Coast where I spent 3 months recovering from all of the above).

For 8 years I prayed every day for my daughter, but all to no avail, apparently.

I tried to get custody of my 2 children Karina and Adam (Allan my 3rd child had Clung to me from the break up) but the Legal system is always against the father and by that time the Predator had control of the Family (as they always do). **All caught in a spiders web courtesy of my former wife’s adultery , the consequences she did not understand the long term effects (to this day she lives in denial)** of what she was party to and visits the predator in Jail every Sunday would you believe .

(Insane the demonic strong hold that Satan has over people) .

That satanic bondage can only be broken by death and my intercessors believe that the predator will die in Jail (cancer) as the Lords Judgement for his Crimes. (I have seen this in the spirit myself).

I lot of Christians seem to believe Jesus is in this “never-ending” Grace Mode, well I’m here to tell you “He Weighs up the Spirits” and “every seed you sow so shall you reap” and there is “consequences” for every action we do whether in the FLESH or SPIRIT .

For example in TEXAS USA some murderers on death Row give their heart to the Lord before they are executed, so they pay the Legal Price for their crimes (in the Flesh) but the soul is saved.

What most people do not understand is that the Spirit DOES NOT DIE the body returns to dust but the spirit either goes to be with the Lord (if you are Born again) or To HELL with Satan (if you do not accept Jesus) .

This predator has “touched the daughter of God’s anointed” and therefore GODS JUDGEMENT is upon him even though he is in Jail the Lord has not Finished with him yet.

This year 2018 I expect the Lords Judgement to come to pass 3 years after he was sentenced by a 12 man Jury refer: [to court case :](#)

(time will tell about the judgement and the Prophetic words come to pass).

So moving on ,in the year 2000 I married the second time to my wife Petrina who was born again. and suddenly about 12 months after that my Daughter Karina appeared on the scene and we all reconnected (my youngest Adam never connected with me till after the court case June 2015 when he realized the TRUTH after being lied to for 25 years).

In the cases of Predators (paedophiles) usually it takes 20 years or more before the victims seek justice and this was the case of my daughter as well . [Finally 15th June 2015](#) Justice on one level was served (mans level as in court and Jail) (God’s Level of Judgement still to come and that I believe will be far worse and time will tell when that sentence comes to pass).

With my other son Allan his mother totally rejected him , from the time she committed Adultery , and the only way that she would have anything to do with Allan **IF HE ACCEPTE THE PREDATOR !** (This what happens in these cases when the mother becomes demonically possessed and spiritually ‘connected’ to the predator ‘via sexual relations in a ‘so called marriage’.

Of course Allan was well aware of the Predator well and truly before he was convicted and jailed.

In all of these types of cases the Predators maintain “isolation and control’ over the Victims in other words they are “prisoners in their own house” outside contact is sealed off.

Much the same as a evil Cult same method same spirits controlling.

So His mother sacrificed her daughter and her son Allan because of the ungodly relationship with a serial predator. (that continues to this day 2018).

This had a devastating effect on Allan (rejection by his own mother).

Allan was a good sports man and had his black belt in martial arts , but because of the FORCED SEPERATION between Allan and his other brother and sister (Adam and Karina) Allan would up being mixed up with the wrong crowd of friends and would up a victim of Drugs . (any wonder the pain he must have injured mentally and spiritually being rejected by his mother) .

Unfortunately, Allan is now on a disability pension as a result of drug overdosing as I believe a

DIRECT RESULT OF HIS MOTHERS REJECTION.

On the up side Allan did become a born again Christian and so even though he has difficulty communicating at least he attends Church and has a relationship with the Lord.

I have tried to be a mother and father to my son Allan and it hasn't been an easy road, as my parents Bert and Dorethy Healy will testify to.

Joan (his mother) will pay the spiritual penalty for what she has allowed to take place to two of her children and the blame lays right at her feet in the decisions she made effected all the three children for the rest of their lives.).

She is totally unrepentant for what she has done and continues to live in denial to this day. (May God have mercy on Joan's soul is all I can say about that).

In the meantime I moved into supporting Ministry after the Marriage to Petrina , in Nov 1999. the reconnection with my daughter Karina 12 months later I though God was reconnecting everything and getting my daughter back after all the above was a great thing (praise the Lord) . However. after 7 years Petrina (who had a track record of issues prior to becoming born again) decided to leave the marriage(everybody has free will) (and committed adultery) and for me a repeat of the whole thing that I faced with Joan happened all over again (this time I was in my fifty's).

So Petrina back slid from the Lord and obviously told lies to my daughter and corrupted her mind yet again. 5 years later Petrina died of Liver cancer on 17 Aug 2013 (RIP) and a close friend of ours led her in repentance to the Lord just before she died.(so at least her soul was saved) (Again I had warned Petrina that if she did what she did, she would walk straight into a the curse and I had seen her in 'a vision in hospital' and that vision came to pass).

There is so much detail that I have left out where I saw visions that the Lord warned me of certain situations also my mother had several visions of things that happened in the first marriage and also the second.

So in Summery **I HAVE BEEN PUT THROUGH THE WRINGER** by the Enemy of souls turning wives, family members against me , **BUT ALL THE WAY THROUGH I KEPT CLOSE TO THE LORD and BUILT MY FAITH TO STEEL LIKE RESOLVE** and this was sperate to Churches (as I found the religious system in Churches ABSOLUTELY ZERO HELP TO ME) , what I did find is that there were INDIVIDUAL CHRISTIANS in those churches that stuck with me one to one and supported me personally during the darkest hours Pastor Keith Loy (now with the Lord) was one of the pivotal ones who mentored me to a **RELATIONSHIP WITH JESUS beyond any church program.**

These days I have built a three tier system:

PHYSICAL, MENTAL and SPIRITUAL and the spiritual I have had to inoculate myself from RELIGION as it will drain your spirit seriously.

However a direct relationship with Jesus WILL EMPOWER YOU ENORMOUSLY .

This is only part of my Testimony and I have forgiven all of the offenders mentioned above , the Lord has called me to a Ministry like **JOHN THE BAPTIST and to BREAK DOWN ENEMY STRONGHOLDS** . FAITH to me has to be REAL all the theology will do nothing for you, you must have EXPERIENCE and the EXPERIENCE I would never like to go through again, not even my worst enemy would I put them through the above .

Today 2018 I believe will be a pivotal year for me the Lord has impresses upon my spirit the **3M's Marriage(have no idea who),Ministry and Money**

Its been prophesied over me Deuteronomy 8:18 and "YOU ARE THE APOSTLE TO BUSINESS" so thats all to come to pass see my time line here :

<https://www.fitforchristministries.com/timeline-of-rev-dr-healy>

so being a Christian is a Journey (not meant to be easy) but **YOU HAVE A ROCK you can hang on to and his name is JESUS and his WORD (and I emphasise that Religion will not do it ,relationship with Jesus will A BIG DIFFERENCE)**

Much Detail has be left out in the above but it just gives you an 'idea' of what I have had to endure, but the best season of my Life is about to unfold I can feel it in my 'bones'.

2018 will be a big year for me the **3x M's Marriage(don't know who) ,Money and Ministry**

I have dedicated a full page to to my testimonies (there is far more detail) so I will post seperate ones as I go including the Visions and dreams that I have experienced that have come to pass .

Jesus is Lord

Graham Healy
