

Religion folks isn't it PATHETIC .

JESUS himself hated religion (read Mat 23 as the template for compare and contrast about religion and compare that template with churches of 2017 especially in Australia).
ULTIMATE HYPOCRISY !

Talk about Love of Jesus and yet cannot communicate with ordinary people unless it's "
Religious babble "
(with a secret agender of control underpinning it).

JESUS CAME TO SET YOU FREE OF RELIGION!

but Religion uses "scriptures" and twists them around to IMPLEMENT CONTROL over you Ultimately extracting every fibre of Free Will out of you and every creative fibre out of you at the same time.

JESUS IS THE GOD OF CREATION

so religion has the exact opposite effect.

JESUS IS A BIG PICTURE GOD

religion is restrictive,introverted,and full of bondage and restrictions.

JESUS CAME TO SET YOU FREE OF THAT

religions objective is to put you back in the box .

yes unfortunately Ladies & Gentlemen as Brave Heart cried out as his executors
tortured him FREEDOM !

This is what the sheep are crying out as religion controls and tortures their every movement FREEDOM !
and **JESUS CAME TO SET YOU FREE OF RELIGION DON'T SUFFER IT ANY LONGER A
TRUE BELIEVER IS FREE OF SIN AND RELIGION AMEN**
