

Seriously Folks the Religious Church is not only controlled by a Jezebel controlling spirit it also is set up as a "quazzie social club" except **the benefits are for the INSTITUTION NOT THE MEMBERS .**

Religious Compliance is the order of the day.

Institutionalized religion nothing more nothing less.

Continuously building a **DEPENDENCY NOT OF JESUS BUT THE INSTITUTION** and those at the Top controlling the whole big **UGLY MONSTER.**

JESUS IS IN NONE OF THAT !

HOW can you tell ?

you get that "creepy empty draining feeling " at Institutionalized Religion it creeps upon on you slowly ,o so slowly, using "scriptures" to justify its existence.

Eventually the Religious Church (if successful) Lobotomizes the Member after the Lobotomy (where you can't think for yourself anymore) you become a "Religious cyberman" like an emotionless Robot who does what it's told WITHOUT QUESTION. !

Is this what being FILLED WITH THE HOLY GHOST IS ?

NO IT'S DEFINATELY NOT!

Religion will try to strip every creative fibre out of your being until you are simply compliant and what is the underlying motivation here ? **LOVE ? NOPE FEAR !**

FEAR OF NOT COMPLYING NOT DOING WHAT YOUR TOLD !

PERFECT LOVE CASTS OUT ALL FEAR !

and Religious Church is the complete **OPPOSITE MODEL TO THE (JESUS TRUE CHURCH),**

RELIGION BEING HEARTLESS , COLD, IMPERSONAL & CONTROLLING 🤖
BE FREE IN THE NAME & BLOOD OF JESUS TODAY !

**JESUS SAID
GO YE**

**What to another Conference ?
To another prayer meeting?**
(although that can be Strategically important
if there is an **objective and end goal** and some
FAITH ACTION at the end of it)

WHAT to another Pantomine ?
(Religious Church is good at ENTERTAINMENT)

WHAT another Social Function?
(where nothing meaningful is ever spoken)

RELIGIOUS CHURCH
Nothing more then a Social Club except a
Social Club is set up for the
benefit of the MEMBERS

**RELIGIOUS CHURCH HOWEVER IS SET UP
FOR THE BENEFIT OF THE INSTITUTION
NOT THE MEMBERS**

JESUS CHURCH
ABSOLUTE FOCUS ON THE MEMBERSHIP
THATS THE DIFFERENCE
